

Canon proudly invites you to experience Vincent Laforet

Don't miss your chance to see director and Pulitzer Prize winning photographer, Vincent Laforet in Australia. Acclaimed for his forward-thinking approach to image making and storytelling, Vincent pioneered innovative tilt-shift & aerial photography using HD-capable DSLR cameras. His short film "Reverie" was viewed more than 2 million times in the first week of its release in 2009. Recognised as one of the 100 Most Influential People in Photography, his seminars and workshops are not to be missed.
