

the future,
ahead of schedule

BE THE FIRST....

**Please join us for the launch of the highly anticipated
PMW-F55 and PMW-F5 CineAlta 4K cameras.**

The new F55 and F5 join a family of Sony large-sensor motion picture cameras that complement each other and deliver powerful new capabilities to cinematographers working at every level of production. 4K footage will be screened plus the opportunity to get hands-on with the cameras.
