

# STEADICAM®

## ARCHER SE

The **Steadicam Archer SE** Camera Stabilizing System is a premium, complete system for today's Video Production.

- Exclusive Leather Vest with socket block
- Lightweight carbon fiber sled with unique folding feature
- New G-50 GEO variable iso support arm
- Color 7" Monitor with Frameline-monitor hood
- New "open architecture" tilting stage assembly for greater rigidity and camera mounting stability
- Two section extending carbon fiber post assembly as standard
- Tilt Head Sled
- New Steadicam Power Cube™ Battery System

# The Steadicam Archer SE

The Special Edition Archer SE is a second generation Archer that includes all the Archer capability plus a host of innovative features normally found in higher priced Steadicam models. This premium, ready-to-go complete system contains virtually every accessory required for normal operation. The exclusive features of the Archer SE will have great appeal for operators.

The new Steadicam/IDX Power Cube™ is the most advanced available. Each battery is rated at 6000mAh - they can handle any camera's power requirements.

The sleek lightweight sled design now with exclusive patented tilt stage allows it to be kept closer to the operator's body and results in less fatigue and easy maneuverability through tighter spaces.

The G-50 precision tool-free arm adjustment incorporates a honeycomb design that reduces arm weight substantially, yet maintains superior rigidity. Exclusive "Ride Control" is integral to the arm. G-50 arm is lightweight, well behaved, and cost effective. With a boom range of 32 inches, the G-50 offers great vertical travel and lifting range.

7" widescreen 16:9/4:3 LCD monitor with remote - variable frameline generator standard.

Steadicam Archer's patent pending unique fold-down sled for easier transport and faster set ups.

New luxurious leather vest with metal buckles offers greater operator comfort and control

- System also includes:
- Long Dovetail Plate - "NEW"
  - New Monitor Wiring Harness
  - Tally System (Sensor Included)
  - Hard Black Storage Case (2)
  - Low Mode Kit
  - Sandbags (2)
  - Tool Kit
  - Turtle Base "C" Stand
  - Monitor Sun Shade
